

Our Partners

Gobe proudly stands as Spain's exclusive studio specializing in govtech solutions. Its primary mission is to collaborate closely with public institutions to unlock their unique govtech potential. Through its strategic guidance and planning expertise, Gobe empowers these institutions to develop capabilities and streamlined processes for open innovation govtech projects.

Additionally, Gobe's engagement extends to startups that hold public value. Through Gobe Ventures, a B2G Accelerator, and its esteemed Govtech startup network, the company offers comprehensive support in shaping their commercial strategies, navigating interactions with public institutions, collaborating with major traditional providers, attracting B2G investment, and internationalizing their offerings.

Gobe is driven by its dedication to excellence in the govtech domain and its unwavering commitment to fostering collaborative partnerships that drive societal progress. The company firmly believes in the transformative power of govtech and is excited to continue making a meaningful impact on society through its work.

Winner of the World's Best Meetings & Conference Destination Award at the 2022 World Travel Awards, for the fourth year in a row, and occupying 5th place in the ranking of the International Congress & Convention Association, Madrid offers a comfortable and safe setting, where indulging in a spot of leisure is just as enjoyable as doing business. Its abundant artistic and natural heritage, its state-of-the-art transport network, the quality of its accommodation, its excellent gastronomy and the passion with which the people of Madrid enjoy both the day and the night make the capital of Spain one of the most attractive cities in the world.

The leading medium to follow the Spanish innovation ecosystem and be part of it. Plug and Play is the leading innovation

platform, connecting startups, corporations, venture capital firms, universities, and government agencies. Headquartered in Silicon Valley, we're present in 50+ locations. We offer corporate innovation programs and help our corporate partners in every stage of their innovation journey, from education to execution across 20+ industries. We also organize startup acceleration programs and have built an in-house VC to drive innovation across multiple industries where we've invested in hundreds of successful companies including Dropbox, Guardant Health, Honey, Lending Club, N26, PayPal, and Rappi.
