

VIP Startups Track (powered by GOBE)

Boost your startup's exposure and access international government representatives at the GovTech 4 Impact World Congress with our GOBE Startups Track!

For **only 500 €**, your startup will receive a range of benefits that will enable you to stand out at this prestigious event and establish valuable connections with government leaders worldwide. With our track package, you will receive:

1. Two Tickets with Full Access to All Panels:

- Gain access to all panels, conferences, and sessions at the GovTech 4 Impact World Congress, where you can learn from thought leaders and experts in technology and government.

2. Inclusion in the GovTech Startups List:

- Your startup will be featured on the official GovTech startups list, which will be emailed to all event attendees and published on our website, providing you with increased visibility among a global audience of government representatives and industry leaders.

3. Participation in Startup Networking Events:

- Join our networking events specifically designed for startups, including sessions such as:
 - “Govtech internationalization” where you can connect with government representatives from different countries.
 - “Spain: Europe's GovTech Gateway,” an opportunity to interact with local and national government officials.
 - Additionally, you'll have access to GovTech Beers, an informal networking opportunity with other event

participants. You can also benefit from exclusive pricing for a **Branded Mini-Stand** at the event – **only 100 €!** [Click here to contact us and learn more.](#)

Don't miss this unique opportunity to take your startup to the next level and connect with national and international government representatives at the GovTech 4 Impact World Congress. Reserve your sponsorship package now and secure your place at this globally impactful event! For more information and to secure your sponsorship package, [contact us today.](#)
